Presidents Report – Charlotte Konkle

Thank you all for coming today - seeing you all here lets me know that there is a future for the sport of tenpin bowling here in Ontario.

My special thanks go out to the following people:

- Wayne Dubs and his WECKBA group who have done an amazing job hosting and running the October 2014 seniors tournament and the 2015 OTBA adult tournament this past month - you make it look so easy and you are a hard act to follow!
- Jayne Picott, Doug Imms, Murray Misener for this year's provincial youth tournament and the Joyce Woolgar Family Twosome
- Kathy Rideout and Chris Woolcock with the Ontario Youth singles tournament and the Ivan Nelson tournament
- all of the committee chairpersons and the members of their committees
- Last but certainly not least - the Board of Directors - they are special people.

Every local association has the right and the responsibility of having representation on the OTBA Board of Directors and even more depending on their association numbers of the previous year - there are 4 associations in Ontario who have not taken advantage of this and all that we can do is contact them and make them aware of the services that they are missing out on through our website - www.otba.ca - and hopefully in the near future our Facebook page.

The OTBA Hall of Fame has some very special members - these people are the back bone of our present association and without them all we would not be where we are today. They are all listed on the large display case at the back of the room. Hall of Fame bylaws and nomination forms are also on the website.

On this past weekend of May 28 - 31, 2015, the CTF Youth Championships were held in Winnipeg MB - the results are on the CTF website and both the Southern Ontario and Northern Ontario teams did well. These bowlers are the future of our sport so we need to support them. To that end, OTBA has taken \$12,000 from the OTBA youth Scholarship Fund and added it to the scholarship funds of the OTBA youth tournament, Ivan Nelson Memorial tournament, the Joyce Woolgar Memorial Family Twosome, the Ontario Youth Singles tournament and the OTBA annual high average awards. This is OTBA's contribution to the future of our youth stars.

Presidents Report Con't – Charlotte Konkle

The matter of amalgamation of the 3 bowling associations (Ontario 5 pin, Bowl Ontario and OTBA) has been resurrected due to the fact that the Ministry of Sport has appointed a new consultant. While she isn't a bowler she is aware of the need for an "umbrella" organization of the 3 to deal with Sport Ontario funding which in the past OTBA has received no money from. There have been 2 meetings since last year and another one is scheduled for July 6. The stumbling block now is that BowlOntario has split into 2 groups - BowlOntario 5pin and BowlOntario 10pin and so the numbers allotted to each association for the formation of the Board of the "Bowling Federation of Ontario" are being discussed. So we go forward, all of us, with the best of intentions! I have to add that I have been invited to attend Bowl Ontario's AGM for the past 3 years but all 3 times I have been unable to attend.

You all know that the PanAm games are coming to Toronto in 2015 - the bowling venue is Planet Bowl in Toronto where the bowling will be held July 22 to 26. Erin and Brian McMaster are the co-chairs of the Sport Organizing Committee and I am proud to be a member of that committee. Last week we went and picked up our credentials and uniforms and we are in the middle of our on-line training which consists of 4 modules - 2 of which I have completed and 2 more that are waiting for me back at home. We will be at the venue from July 17 to the 26th! Tickets are very scarce for bowling - none are available for the finals but you might be able to get some for the semifinals. Canada's representatives are Isabelle Rioux of Quebec, Robin Orlikowski of St.Catharines, Ontario, Dan MacLelland of Kitchener and Francois Lavois of Quebec. Check out the website at www.toronto201.org for all sorts of information.

I am reminding all associations that OTBA offers awards to its members - the recipients names are sent in by the league secretary to the association manager who then forwards them on to the OTBA association manager. As most of you know we have had a problem with the new calculators and we are looking to replace that award with something without batteries.

OTBA will pay 25% up to a maximum of \$25 for any person who wants to take the coaching or lane inspector course offered by CTF. Tyrel Rose is organizing coaching courses across the country and OTBA is looking into the lane certification courses.

I had the privilege to representing Ontario at the CTF AM in November via Adobe Connect and you will have my report later on in this meeting. At the present time, Brian McMaster of Niagara and Jim Lester of Lambton County are the elected directors from Ontario and I was appointed as a director to fill the 3rd spot for Ontario - it has been a very interesting 6 months for me!

It has been my very great privilege to have been involved in OTBA as a director for 4 years and as president for 7 years - there have been many changes in the past year and more are coming in order for our sport of tenpins to survive.

Wayne Dubs thanked Charlotte for all she did "Hard Act to Follow" during the past year.

CTF Report – Charlotte Konkle

Again it was my pleasure to represent Ontario TBA at the CTF Annual Meeting being held on November 15, 2014 via Adobe Connect. This meeting was the first to be held in November because of the changes implemented by CTF to comply with the Federal Non-Profit Act. Because there had been a meeting in April to finalize all changes to the CTF By-laws, CTF felt that they would hold this meeting via Adobe Connect so that the local and provincial associations would not have the extra costs of sending delegates to 2 meetings in 1 year.

All the registered delegates were given instructions on how to join the meeting, how to participate verbally and lastly how to vote. Amazing program!

The meeting was opened at 11:00 am (EST) by the President, Brian Von Richter of Saskatchewan. After the National Anthem, the Roll Call of the Board of Directors and the 1st vote allocation (28 delegates, 7 directors - majority 18) Brian VR welcomed everyone and introduced the Directors, the Delegates and guests.

Notes: Provincial entry fees were down again slightly - we still need to find a way to increase the number of junior bowlers coming to the Provincial round
 We received a sponsor again this year for the uniforms but was slightly less than the cost due to mostly new athletes this year.
 Medals and Bannettes were again paid through the Provincial Association
